Chennai.

Dear Mrs Lalitha Rai and Mr Gautam Rai,

I write this letter as a token of my appreciation and thanks for the excellent work done by me in the organisation and conduct of the Asian Congress of Neurological Surgeons 1st Virtual International Conference that was held between the 11th and 13th December 2020.

It was an extremely successful virtual meeting that has been a trailblazer and has set standards for virtual conferences around the world.

With 3 concurrent halls, a Poster session on for almost 10 hours each day for 3 consecutive days, it needed extremely effective and efficient communication and logistics for a successful meeting.

Marundeshwara Enterprises is well known for its efficient handling of medical conferences, and I can vouch for that as we have been associated for more than 20 years. I take this opportunity to congratulate you on the marvellous job done in the Virtual space, as well.

With Best wishes

Yours sincerely
